

Dear Green friends,

This year, FYEG's General Assembly will take place on the 9th-11 th May in Utrecht, Netherlands. This year will be extra special - as we will be turning 30 years old! To celebrate, we will be hosting a Spring Conference on 11th-12th May to bring together different generations of Green activists from across Europe.

Our Spring Conference will be a celebration of what FYEG has achieved as an organisation over the past 3 decades, what we can expect in the future and how we can adapt and change this to create a greener Europe. We will come together to reflect on where we are now; what are the most important political forces we are facing; and how much space does a progressive, ecological organisation get in an increasingly conservative 21st century. It will be a hugely exciting event, with a variety of speakers who represent Green political values and bring knowledge from different eras of Green activism, as they host panel discussions and workshops for all to take part in.

You are warmly invited to the Spring Conference. There is a selection of options to choose from, depending on what suits you best. In the form below you can find different options on how to attend. Hostel accommodation is 38 EUR per night and meals are between 6 and 19 EUR per meal. If you organise your accommodation and meals on your own, attendance is free but registration is obligatory nevertheless.

Please note: payment of tickets can be made in cash to FYEG at the event. A receipt can be provided upon request.

We would appreciate it if you were to confirm your choice by filling in [this form](#). If you have any questions, don't hesitate to write office@fyeg.org

We look forward to seeing you in Utrecht!

Green regards,

Kim van Sparrentak

Fabian Wagner
