The presidency is a body that presides over the General Assembly. Its members are responsible for managing the program, conducting the voting and ensuring smooth running of the GA. It is a crucial body for the General Assembly and therefore we are looking for experienced activists who are motivated to commit substantial amount of time during the GA.

Tasks of the Presidency:

- Chairing the plenary sessions and amendment sessions.
- Preparing papers and amendments.
- Managing the election processes and the voting processes efficiently.
- Taking minutes of the meeting and ensuring that they are ready to be published two weeks after the GA.
- Counting the votes, tracking the quorum and absences.
- Other minor logistical tasks.

The presidency:

- Consists of four to six people who must not be candidates to any positions at the GA
- Is selected by the Executive Committee and confirmed by General Assembly at the beginning of its proceeding.

The membership of the presidency is based on a geographical and gender balance as well as of people with solid experience in political processes, chairing meetings and taking minutes.

Presidency can be suspended and simultaneously replaced with an absolute two-third majority by the assembly. Such a vote of no-confidence can be demanded by at least 5% of the delegates, who must present people for the new presidency.

Deadline for application: Wednesday 24 June 2020, 23:59 CET
REQUIREMENTS

• no intention to run to any position that is open during the General Assembly
